

The image shows the front cover of a red book. The cover has a textured, leather-like appearance. In the top left corner, there is a small white rectangular label. The word "Legend" is embossed in a large, stylized, serif font across the upper half of the cover. Below the title, there is a large, stylized embossed illustration of a flower with a long, curved stem and several long, pointed leaves. The year "1957" is embossed in a smaller, serif font at the bottom right of the cover, partially overlapping the leaves of the flower.

1956 Football Homecoming

The crowning of Queen Nancy highlighted the annual Homecoming Dance, which was once again held in the Junior High Gym. Bud Presner's band supplied the good music Council, the dance was a climax to the Frosh bonfire and the football game, which we disappointedly lost to St. Joseph the previous night.

Prom Time Again

The 1956 Junior and Senior Prom was again held at the Marquette Park Pavillin and turned out to be a great success. The heavenly music of Mickey Isly's band and soft lights all added to the dreamy mood. Many couples journeyed to Phil Schmidts afterwards where reservations had been made.

The long-winded Portage Pep Club takes a half-time breather.

We Cheer Our Team on

The final trying moments of the Portage-Chesterton, championship game of the County Tourney.

Our Pep Club this year could be described with words such as original, peppy, loud, co-operative, and good sportman-like.

We had a wonderful showing at every game and made remarkable progress in the County Tourney as we cheered our team to victory.

For our cheering block we purchased red and white reversible jerseys with which we formed letters and words throughout our games.

This year's Pep Club succeeded in spreading school spirit and sportsmanship for each of its 150 members as well as the student body and adults.

Football Highlights

On the basis of won-lost records the 1956 season was rather poor for the Portage High School football team, but the Indians did fashion some glory.

The Indians held the half-time leads in the season's first two games, but fell under second half rallies, 18-13 to Crown Point and 7-6 to Dyer.

The Tribe's third straight loss came at the hands of Merrillville. The Pirates coupled a speedy single-wing offense and a fast, bruising line for an 18-7 win.

The low point of the season was the Lowell contest, with a final score of 18-0. The Indians just couldn't get started.

Rebounding from the desperation of the week before the Indians hit Gary Wirt with a 26-6 barrage, one of the title-sharing Trooper's two conference losses.

In three consecutive games the Indians came up with long kickoff returns--86 yards against Wirt, 85 in the 32-6 homecoming loss to powerful South Bend St. Joseph, and 90 in the Griffith game. All three were good for TD's.

The winning touchdown in the 20-14 defeat of Griffith was punched over with only two seconds remaining.

Two of the Indian's last three games were against conference co-champs. The well-balanced Gary Edison squad almost completely dominated their 20-7 homecoming win over our Tribe. In the next game East Gary met a determined band of Indian's, who made a valiant attempt to end the Eagles title hopes, but lost 7-6 in the seasons finale. The Valpo game came between the two conference bouts. The Indian's showing excellent defense, twice stopped the Vikings inside the 10-yard line, paying the way to the come-from-behind 13-7 victory.

Statistically Coach Bob Smith's team finished with three wins and seven losses. Their Calumet Conference mark of two wins and five defeats was good for a sixth place tie with Lowell.

Get off my back, buddy.

TRAPPED

Tally-Ho we're off to the races.

Portage Takes County Tourney

Reach for the ceiling!

The Portage hardwood experts, coming out of a five game losing streak recovered to take 11 of the last 14 games, and swept the County Tourney Championship before them.

In the first two contests against Hebron and Valparaiso, the Indians slaughtered their opponents 67-48 in the Hebron contest, and 65-39 in the Valparaiso game.

The tribe then ventured to Buchanan, Michigan to take on the Bucks of Buchanan High in Portage's very out-of-state game. The night ended in disaster, however, as the Bucks held lid on the Indian's scoring throughout the game to win 59-50.

This was the start of a five game losing streak for the Portage squad. They lost successively to Merrillville, 60-54; Edison, 71-55; Calumet Township, 68-47; and Hammond Morton, 62-53.

The Indians finally broke the streak by beating Chesterton, 59-58, taking the lead in the last minute of play.

Portage lost again to the Griffith Panthers, 65-62, before embarking in a seven game winning spree.

The team who fell to the Indians winning streak were Dyer, 61-51; Wirt, 74-63; Hobart, 67-64; and Lowell, 74-71.

The Porter County Tourney was also won by Portage. The Indians weathered a last quarter rally by the Hawks of Hebron to win 54-51, and overcame a tough Boone Grove crew, 49-42, to qualify for the championship game with Chesterton, who was the 1955 Tourney Champ. The Trojans led throughout the game, but the Tribe took the edge with two minutes left and held it to take the Championship from a rough Chesterton team, 60-56.

The Blue Devils of Froebel were the team that broke the Portage string of wins. The Indians put up a valiant fight, but Froebel couldn't be stopped as they swept to a 70-55 win.

Kouts was the next team to fall to the Indians. Portage swept to a 84-63 win with Larry Petersen sinking 51 points to tie Leroy Gamble of Froebel for the area's highest single game performance this season.

East Gary, and Crown Point were next on the Tribe's hatchet list. The Indians had no trouble beating the Eagles of East Gary 77-57, and the Bulldogs of Crown Point 56-44.

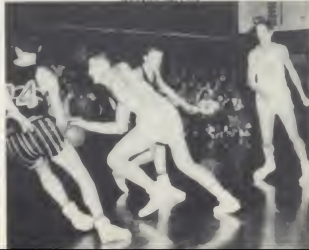

In the last game of the regular season Portage was stopped by Boone Grove. The Wolves got sweet revenge for the loss suffered at the hands of the Indians in the County Tourney as they won by five points, 58-53.

In the sectionals the Tribe rolled over Wheeler 68-31, but ran afoul of the Hebron Hawks, who upset Portage 62-57. The Indians had beaten them twice before in the season, but just couldn't find the stuff to win a third time.

This gave Portage an overall record of 14-9 for the 1956-57 season.

First Year for Portage Swimmers

This year Portage organized a new sport. . .swimming. The team coached by Richard Shwery, worked mainly on building a team. Because the team was organized so late in the season, Coach Shwery was able to schedule only six meets. The Portage watermen posted a record of only one win and five loses, but are looking forward to a better season next year.

Baseball Places First in C. C.

The Portage baseball team did its part toward winning the all sports trophy, taking first place in the Calumet Conference with a record of seven wins and three losses in conference play.

Their overall record of seven wins and four losses was compiled of beating Edison twice, Griffith twice, Merrillville twice, and Lowell once. In the loss column were two lost to Dyer and to Lowell, and one to Lew Wallace.

Portage and Lowell were tied for the conference championship right down to the last game of the season against each other. The game was hard fought and the score stayed even to the last inning. It was a pitcher's battle all the way with pitcher Kent Lindquist letting out only three hits. Catcher Larry Bradford, who batted 375 for the season, came through in the ninth with a triple to drive in the winning run for the Indians.

Three members of the squad made the all conference team. They were outfielder Bob Parish, catcher Larry Bradford, and short-stop Ted Peterson. Larry Bradford held the high batting average in the conference with a .382 conference mark.

On the line of the championship Portage team were pitcher-outfielders Cliff Barnett, Kent Lindquist, Bob Parish, Charlie Dawson, and center fielder Larry Lynn. On the diamond Mike Brady at third base, Ted Peterson at short-stop, Bill McGivern at second, Paul Cousins at first, and Larry Bradford behind the plate. Utility outfielders were Bill Kleckner, Richard Gates, Marvin Johnson, Bob Wilson, Phil Rowe, Aurelio Mendoza, and Tom Hull. Utility infielders were Tom Phillips, Paul Parker, and John Jones.

Make-believe mermaids and future Atlantic City bathing beauty contestants went to Gary every week this year. Or so it seemed as the GAA girls went swimming at the K. of C.

The girls were also seen struggling with bowling balls being rolled in every direction, some even hitting the pins. Strike! Gutter ball! were some of the cries as they tried to raise their scores.

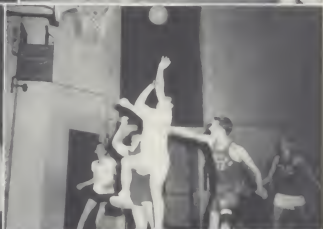

Scattered throughout the year were activity nights in which the girls played ping pong, badminton, and volleyball in the All-Purpose room.

Roller skating brought about a lot of fun as well as falls and bruises. Hikes were enjoyed as the girls, led by the senior members, wore off extra energy and shoe leather.

There was much response to each activity as the girls increased their points for the final awards.

Junior Science Club Visits Purdue

The Science Club was organized to give further opportunity, other than class time affords, to delve into various phases of the subject. It is also a chance for those engaged in special programs to discuss their problems with students for other classes and with their sponsor, Mrs. Long.

Regular bi-monthly meetings are held after school on the first and third Thursday of the month. The club has also visited different places of interest to further their scientific knowledge. Among the places that the club visited this year were-- The Little Red School House in Palos Park, Chicago; The Boday Earthworm Farm; Different factories, and they went to the "Sci-math" assembly at Prudue University. The club also held a Science Fair at which time they displayed some of their special projects.

"Brush and Paletts," the newest formed club at Portage, was christened as such at the beginning of the 1956-57 year. The main purpose is to teach a greater sense of art appreciation in our school. Working on creations during the meetings, the members entered their work in the annual art exhibit. The club also sponsored a dance to raise funds for art supplies. In February they ventured into Chicago to investigate the Art Institute's displays.

Our Concert Choir and the Double Sextet

The clammering of voices flew through the halls as our choir started in on another practice. Nevertheless, under the fine direction of Mr. Myers the sounds soon turned into beautiful harmony.

Our singers were really busy practicing this year for their various appearances. They sang in the County Music Festival and in our Fall, Winter, and Spring Concerts. Then came the great day, and the choir sang farewell to our seniors. This was a wonderful year for the choir.

Let's see those tonsils.

The Concert Band Strike Up a Tune

The pride of Portage, our band, started the year by marching in the Garyton Memorial Day Parade, in the Gary Golden Jubilee Parade, and then the Riverview Mardi Gras Parade. The band added a dash of color with their snappy routines at half time of all the home football games. They also marched in the Merrillville Marching Contest and the Valpariso Homecoming Parade.

They then turned to the more relaxed form of the business and presented their three concerts. In February, the more ambitious students prepared for the N.I.S.B.O.V.A. Solo and Ensemble Contest which was held at Portage this year. Several shiny medals were added to the collections of these students.

The pep band also helped boost the spirit of the pep sections at all the home basketball games by working with the cheerleaders.

Mr. Lindquist and Mr. Myers should be congratulated for directing the band to the most successful year yet.

Photography Club Snaps Pictures

This was the first year that Mr. Cantwell has had complete charge of the club, and our annual staff really kept him busy. He took, developed, and printed many of the pictures in this book.

The photography club had a big turn-out this year. It seems we have a lot of camera fans in our school.

The club also sponsored a dance to raise funds for photography supplies.

Our Seniors

Remember our first day of high school? Pushing through crowds to find our name on the homeroom sheets, finding rooms and generally feeling pretty big--"Now we were in high school." Pretty soon that changed to "Gee, I can't wait till I graduate!" We quickly made our way through the Freshmen year, and our Sophomore year went just as quickly with its dances, parties, dates, games, and homework.

If we thought we worked hard in our Freshmen and Sophomore years our minds were abruptly changed in our Junior year. Then we did twice as much work in half the time. There was the Junior Play, more games, more dances, more parties, and much more homework. Then there was that wonderful night--the Junior-Senior Prom.

And so we advanced to our Senior year. We reigned over the underclassmen and were now superiors! We added a few more activities to our already overloaded schedule. We presented the Senior Play and the Christmas Dance, and we made preparation for the all important Graduation Day.

Suddenly it was all over. Duane Swanson, Valedictorian; and Andy Kopko, Salutatorian, gave the farewell speeches and as we walked down the aisle diploma in hand; we saw in that diploma memories of those four years--and they were a wonderful four years. Weren't they?

the 1990s, the number of people with a diagnosis of schizophrenia has increased in the United Kingdom (Meltzer 1996). The prevalence of schizophrenia in the United Kingdom is estimated to be 1.2% (Meltzer 1996).

There is a growing awareness of the need to improve the lives of people with a diagnosis of schizophrenia. The United Kingdom has a number of government departments and agencies that are involved in the care of people with a diagnosis of schizophrenia. The Department of Health, the Department of Social Security, the Home Office, and the Home Office's Prison Service are all involved in the care of people with a diagnosis of schizophrenia.

The Department of Health is responsible for the provision of mental health services. The Department of Social Security is responsible for the provision of social security benefits. The Home Office is responsible for the provision of housing and social services. The Home Office's Prison Service is responsible for the provision of prison services.

The Department of Health, the Department of Social Security, the Home Office, and the Home Office's Prison Service are all working together to improve the lives of people with a diagnosis of schizophrenia. They are working to ensure that people with a diagnosis of schizophrenia have access to the services they need to live a full and healthy life.
